Good Morning Julianne,

Thanks for the information! I appreciate all your efforts.

My last day is today. I am retiring after 43 years of service. I was looking forward to having this project completed while I was still here, but will watch it's progress from retirement.

Please continue to proceed with the remainder of the staff. Andy Ety will be the primary ODA contact. I may still be on conference calls when needed.

Thanks again!

Sincerely,

Kevin H. Elder, Chief

Hi Julianne. I attached all three Dayton Malleable cases— Common Pleas case (1979); Court of Appeals (1981); and Ohio Supreme Court (1982).

Let us know if you need anything else. Thanks.

Best regards,

Kelly

Hi Kevin,

We are reviewing the information you submitted with the email below. The Feb. 7 2018 letter mentions an enclosed copy of the case,

State ex rel. Brown v. Dayton Malleable (Montgomery C.P. 1979), 13 ERC 2189, 2195, upheld, *State ex rel. Brown v. Dayton Malleable* (1982), 1 Ohio St.3d 151, however, the case was not enclosed. Would you please send me the enclosure?

Thanks,

Julianne

Good afternoon Julianne,

I am sorry for the delay in responding. I have attached part of the process of compliance enforcement that we utilize.

We have a new Attorney General representative, Catherine A Carney, (Catherine.Carney@ohioattorneygeneral.gov) . She has been on a couple of the conference calls with Kelly McCloud,, but now will be the primary contact. Kelly will still be available but working in a different section.

The attached document was adapted from a document that was part of the original discussions back in 2006. Evidently it was not in the package submittal, but was submitted later due to the same questions. This is in addition to the penalty procedures in 901:10-5-03 and the civil penalties in 901:10-5-04.

Please let us know of any questions and when we can have the next conference call.

Thank You!

Sincerely,
